

Hull Marina Court

is moving in winter 2026/2027

Following a review, we've decided that Hull Marina Court will relocate to new premises in the winter of 2026/2027

At the same time, the branch will become known as Handelsbanken Beverley.

We'll write to any customers affected by this decision, as well as other stakeholders.

Why is this happening?

We're committed to our branch-based business model and our branches will always be fundamental to how we run our decentralised bank and how we engage with our customers.

However, we need to evolve and adapt our business in line with changing customer behaviour and demands. Part of this adaptation involves making adjustments to our branch network to ensure we continue to be represented in the right areas to serve our customers in the best possible way.

We're locating to new premises because:

We're moving into more sustainable, environmentally responsible premises.

The new premises will offer bigger, better facilities for our customers' needs.

The new premises are more easily accessible by public transport.

What this means for customers of Hull Marina Court

If you're a customer of Hull Marina Court you'll move to our new location from winter 2026/2027

Aside from the new location and name change, everything else will stay the same, including your account manager and the wider team.

As soon as we know the date of the move, we'll let you know.

There are the following public transport links available near the new location:

For those customers wishing to drive to Beverley branch, there are eleven free car parking spaces directly outside the premises.
